For Best Performance:
Mount your **Base Unit** as high as possible
and utilize the **Tall Handset Antenna**.

* YOU'RE NOT UNDER WARRANTY *

Unless this equipment was purchased from an
Authorized Installer.

Thank you for purchasing an EnGenius Industrial Cordless Phone System. The optimal performance of this system greatly depends upon professional installation and set-up. In order for your equipment to be covered by the factory warranty it **MUST** be purchased from an **Authorized Installer/Reseller**. Please contact us or check our website to verify your reseller is authorized and if your equipment is covered under the factory warranty.
