

VCM35 Datasheet

Introduction

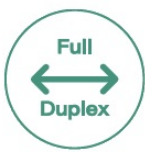

Yealink VCM35 is a wired video conferencing microphone array specially designed for the new generation of Yealink Video Conferencing System. Its built-in 3-microphone array with a 16ft (5m) voice pickup range is an ideal solution for any conference room that needs the best audio experience.

With the Yealink Acoustic Echo Canceling and Yealink Noise Proof Technology, Yealink VCM35 can effectively reduce ambient noise up to 90 dB and give you a high-quality audio experience in full-duplex calls.

Yealink VCM35 supports star-cascaded deployment, and its extremely high scalability and flexibility make deployment more convenient and faster and can fully cover conference rooms of various sizes.

Optima HD Audio

Yealink Full Duplex Technology

5m voice pickup range

Star-cascaded deployment

Key features and benefits

- Optima HD Audio
- Yealink Full Duplex Technology
- 5m voice pickup range
- Star-cascaded deployment

Specifications

Specifications	Description
Audio Features	• Optima HD Audio • Yealink Full Duplex Technology • Yealink Acoustic Echo Canceling • Yealink Noise Proof Technology • VAD (Voice Activity Detection) • 360° 5m omnidirectional pickup • Muting the microphone with touchpad • Frequency response: 100Hz to 8kHz
Physical Features	• Dimension: $\phi 100 \times T17$ mm • Weight: 199 g • Operating humidity: 10% - 90% • Operating temperature: 0°C -40°C (+32 °F - 104 °F)

Package Contents	· VCM35 · RJ45 connector for Ethernet cable · Double-sided tape · Quick Start Guide · Qty/CTN: 20 PCS · N.W/CTN: 4.878 kg · G.W/CTN: 5.612 kg · Giftbox size: 148 x 135 x 45 mm · Carton Meas: 464 x 282 x 165 mm
