

PBM30 30W P.A. amplifier

Features

Our UL Listed Contractor Series amplifiers are the ideal amplifiers for everyday use. They can stand on their own as part of a smaller installation, or be incorporated into a much larger job. With 30 Watts RMS power, microphone and source mixing ability, telephone paging interface and music-on-hold capability, there is almost no job that this amplifier cannot be a part of.

- Front panel level controls
- Auto mute function
- Bass and treble tone controls
- Music-on-hold output with separate level control
- UL & CSA listed
